

SHOW THE LOVE

This is your moment.
Don't lose what you love to climate change,
just because no one knew you cared.

THIS FEBRUARY MAKE ME WEAR ME SHARE ME

This year world leaders will meet to make
or break plans to protect all we hold dear.
Time is short, but the love is strong.

Make them feel what you feel and don't
lose what you love.

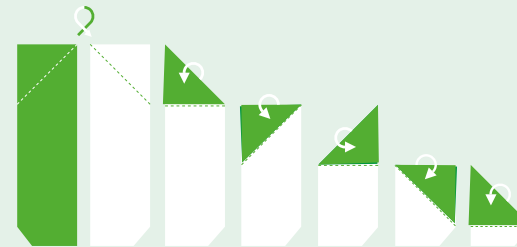

Join us and share the love

If you love it, show it.

MAKE A HEART:

Flip me so my green side's down.
Fold me down...

Tuck in the remaining tab...

Round my corners, prod me in
the middle and I'm done.

String me, pin me, stick me on
your pen. Wear me your way.
